

Hamilton Computer Club

Newsletter September 2019

Be Aware - Windows is forcing a major update onto users and if you don't update support will finish in November 2019.

Press Search at the Bottom Left of Screen, Type in Update, Check for Updates and see what happens.

Just updated my Windows 10 – it took about 14 hours.

There is also some Major Recent Patches you need to stop Hackers.

Te Whare O Te Ata, 60A Sara Cres, Fairfield, Hamilton.
