

Hamilton Computer Club

Newsletter September 2020

During the COVID-19 pandemic sometimes we are not able to travel to meet up with colleagues, customers, family or friends. We can still have a group get together in a fashion though by using the Zoom software to conduct virtual meetings over the Internet.

If you want some light relief check out the "Clarke and Dawe" comedy skits on YouTube.

Tutorial – 5 Sep 20

Our member Chuck will show us how to set up and take part in a Zoom meeting.

Workshop – 19 Sep 20

Meetings

1st Saturday in month

- Hands On Tutorials 1:30pm - 4pm

3rd Saturday in month

- Workshop 10:00am - 3pm
- Committee meeting 3:30pm - 4:30pm

What the Club offers

- Hands On Tutorials on the 1st Saturday of the month. Please bring your Device or Laptop, or use one of the six PCs at the venue.
- A workshop meeting on the 3rd Saturday of the month. Members can bring their Devices and Computers for trouble-shooting, installation of free software and/or to learn or try out new skills.
- A Computer Emergency Response Team (CERT) that Members can phone or email for help to solve problems which can't wait till the next workshop.
